

Annual Report

Making our Community a Home,
by Making Room for All. 2020

2020 has been a year of challenges for everyone.

Above all it has reminded us of the importance of **community and connection**.

RACDC remains steadfast in our commitment to fostering a sense of place and community in the Greater Randolph Area so all people feel supported, no matter what challenges arise. We are pleased to present our **2020 Annual Report** as an interactive resource with visual representations of the amazing assets found in our community.

Site-specific icons are located on the map of Downtown Randolph, and broader programming stories are located in the green panel under "More Program Highlights." Each icon has a short description and links to videos, photos, or websites where you can learn more.
